The North Hills Charter School and the Charter School Resource Center are pleased to inform you that six hours of Board Training videotapes are available and may be purchased for your charter school. These videos are packaged in a set of six tapes, entitled: Charter School Law I, Charter School Law II (Special Education), Accountability I and II, Health and Safety, and Public Records.

A certified provider must be present during all board training in order for board members to register and receive credit. The application to become a certified provider can be found at [www.tea.state.tx.us/charter/faqs/bdtraining.htm](http://www.tea.state.tx.us/charter/faqs/bdtraining.htm).

Each set of six tapes costs \$110. Partial orders are not available. The videotapes are only available to charter schools and Education Service Centers. They may not be duplicated due to state regulations. **Please make checks payable to the Charter School Resource Center. Payment must be received before tapes can be mailed.** In order to receive tapes by November 1<sup>st</sup>, orders must be received by Wednesday, October 15, 2003.
